MNR MEMORANDUM CIRCULAR

NO. 1

Series of 1986

SUBJECT: Additional instructions to strengthen the Monitoring of Logs and other Forest Products on board vessels engaged in the log export trade.

1. In order to further enhance the effective monitoring of the movement of Philippine logs and other forest products, no vessel engaged in the log export trade shall be allowed to sail for the next local port of destination or given clearance to set sail from designated clearing ports, unless the entries in the logbook from the time the subject vessel entered Philippine ports up to its departure from any local port duly certified by the ship captain is first secured.
2. The document required herein shall invariably form part of the report to be submitted to this Office by authorized Timber Inspectors, WIDA Area/Assistant Area Managers and MNR representatives to the Log Export Audit Teams concerned.
3. This Memorandum Circular shall take effect immediately and shall be for the strict compliance by all concerned.
