DENR MEMORANDUM CIRCULAR

No. 2020 - 15

**SUBJECT : ADOPTION OF THE DENR HUMAN RESOURCE PLAN
(2020-2024)**

In support to the Department's vital component, its human resources, and to continuously provide environment and natural resources service excellence, the DENR Human Resource (HR) Plan (2020-2024), is hereby adopted.

The plan highlights the current HR capacity and the prioritized gaps in the organizational, competency, HR systems and health and wellness aspects drawn from the different offices of the DENR. Interventions to address these gaps, in a period of five (5) years, are proposed, in support to the achievement of the organizational objectives and priority programs and activities. May it serve as a roadmap which defines and provides direction for the planning and programming of HR strategies that are aligned with the DENR Strategic Plan.

All offices are encouraged to develop and customize their office HR plan to deliver unparalleled support for the personal development and career growth of DENR employees.

This Circular takes effect immediately.
