

Republic of the Philippines
Ministry of Natural Resources
OFFICE OF THE MINISTER

01 December 1982

ADMINISTRATIVE ORDER
No. 52
Series of 1982

SUBJECT: Creation of Natural Resources Districts and
Guidelines for District Administration

Pursuant to the provisions of Presidential Decree No. 461 and Section 172 of Presidential Decree No. 1587 and other pertinent laws, decrees and instructions and for the purpose of establishing common points of reference for a more efficient and integrated management of the country's natural resources as well as for attaining better coordination among sectoral district officers operating in the same area, there are hereby created 200 Natural Resources Districts (NRD) throughout the country, which shall be administered according to the following guidelines:

SECTION 1. Organization and operation in the NRDs. - The existing district offices of the four Bureaus under the Ministry shall continue to function as of the present but shall relocate to the district office headquarters and modify the extent of their area of operation as indicated in Section 3 hereof. Where applicable, a District Sectoral Officer (District Land Officer, District Forester, District Fishery Officer, District Mining Officer) shall be designated, subject to the approval of the Minister, to cover at least one NRD depending on the degree of resource endowment and development, population density, geographical and terrain constraints and other similar factors.

SECTION 2. Powers and functions of the Districts. -

The Natural Resources Districts shall:

- a. manage, develop, protect, conserve exploit and utilize the natural resources of their respective resource/sectors in conformity with existing policies, rules and regulations and future issuances and promulgations.
- b. implement plans and programs and other projects and activities within their jurisdiction.
- c. recommend new policies and/or program modifications to cope up with existing conditions.
- d. perform such other functions as may be assigned by the Minister of Natural Resources through the Bureau Directors.

SECTION 3. Jurisdiction and Location of Natural Resources District Headquarters. - The country shall be divided into 200 Natural Resources Districts, the office headquarters and jurisdiction of each in terms of Municipalities are indicated as follows:

The Bureau Directors concerned shall designate and complete the necessary personnel complement of the Districts in accordance with the respective approved staffing patterns of their respective Bureaus and shall issue such instructions/directives as may be necessary to insure the proper resource management and administration of each district.

The number of Districts may be increased or decreased, as the case may be, upon recommendation of the Bureau Director to meet existing needs of the area.

SECTION 4. Boundaries - The boundary of each resource district shall, as much as practicable, follow the provincial and municipal political boundaries for easier coordination with the local government.

SECTION 5. Repealing Clause - All administrative orders, rules and regulations or portions, thereof, which are inconsistent herewith are hereby revoked and/or repealed.

SECTION 6. Effectivity - This order shall take effect immediately.
