SUBJECT : **Request of Housing and Land Use Regulatory Board  
(HLURB) for Mineral Resources Maps and Data**

DATE : 22 NOV 2004

---

This refers to the letter of Mr. Romulo Q. Fabul, Chief Executive Officer and Commissioner of HLURB, requesting the Department to provide its Regional Offices with maps and data on mineral resources.

The maps and data on mineral resources is needed by HLURB Regional Offices in order to materialize its assigned task on the Minerals Action Plan. HLURB Regional Offices will also utilize the maps and data to provide technical assistance to LGUs in the formulation of Comprehensive Land Use Plans. We were informed by HLURB that the LGUs are having difficulty in identifying the location of metallic and non-metallc resources as well as the quality, volume and type of mineral resources present within their jurisdiction.

In this regard, you are directed to provide all HLURB Regional Offices with their requested maps and data on mineral resources in their respective region. Please inform this Office of your compliance.
