MEMORANDUM FROM THE SECRETARY

TO : The REGIONAL EXECUTIVE DIRECTORS
DENR-Region CAR, 1,2,3,4A,4B,5, 8 and NCR

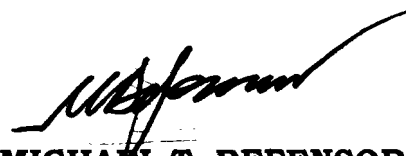

SUBJECT : **TYPHOON "YOYONG" ALERT**

DATE : SEP 03 2004

The Philippine Atmospheric, Geophysical and Astronomical Services Administration (PAGASA) has predicted that Typhoon "Yoyong" with projected center winds of 120km per hour, will hit land within the next two days.

In this regard, you are directed to closely coordinate with your respective Regional Disaster Coordinating Councils (RDCC) in negating the impact of the coming typhoon. Further, based on available geo-hazard maps and other information, determine the areas susceptible to landslides and flashfloods and advice the concerned local government units of your findings. Communities living within these danger zones should be warned and if necessary, the immediate evacuation of these residents to safer grounds must be done.

For immediate compliance.

MICHAEL T. DEFENSOR
