MEMORANDUM FROM THE SECRETARY

TO : **The Director**
Environmental Management Bureau

All Regional Directors
Environmental Management Bureau
NCR, CAR, Regions 1 - 13

SUBJECT : **COMPLAINTS LODGED AGAINST CELL SITES**

DATE : **JAN 03 2005**

This Office is recently flooded with various letters from complainants against cell sites being constructed within their vicinity. The common issue being raised is the alleged adverse effect to human health of radiation emanating from these cell sites. However, record shows that an Environmental Compliance Certificate (ECC) was already issued by your office on the concerned cell site.

In view of this, you are hereby directed to conduct an information campaign to enlighten the public on the effects of radiation from these cell sites based on available scientific evidence, studies and researches. Submit report on this matter soonest.

For strict compliance.
