**MEMORANDUM**

TO : **All Regional Executive Directors

All PAWD Chiefs**

FROM : The Secretary

SUBJECT : **GIVING OF TOKENS FOR MARINE TURTLE OR "PAWIKAN"  
AND SEA COW OR "DUGONG" CONSERVATION  
SUPPORTERS AND PARTNERS**

It has come to my attention that some tokens in the form of baseball caps or T-shirts, which are given by the DENR to supporters of marine turtle or "pawikan" and sea cow or "dugong" conservation program nationwide are kept in field offices for personal use of DENR personnel and are not reaching the intended recipients and conservation partners.

In this regard, you are hereby directed to release/give all tokens in your possession to those who are the intended recipients of these items.

Submit immediately to this Office and PAWB the acknowledgement receipts with the complete list containing the names and addresses of all recipients of tokens from hereon.

It shall be mentioned that the giving of tokens by the DENR has proven very effective in getting the public support and increased awareness and participation in the conservation of the endangered marine turtles and dugongs.

For strict compliance.
