MEMORANDUM FROM THE SECRETARY

TO : All Regional Executive Directors
The Administrator, NAMRIA
The Director, Lands Management Bureau

SUBJECT : **DENSIFICATION OF PRS92 CONTROL POINTS**

DATE : JUN 21 2005

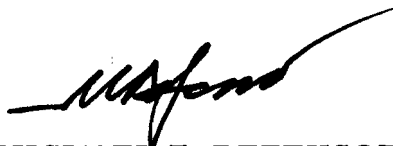

Pursuant to DENR Administrative Order No. 48, series of 1998 and relative to the implementation of Executive Order No. 321 series of 2004, the Regional Surveys Division (RSD), through the Field Network Survey Parties (FNSPs) and/or designated composite survey teams, shall recover and connect to PRS92 all Bureau of Lands Location Monuments (BLLMs), Provincial Boundary Monuments (PBM), Municipal Boundary Monuments (MBMs), Barangay Boundary Monuments (BBMs) and all other control points including triangulation stations in the old network that were used in cadastral, public land subdivision and group settlement surveys.

Also, in compliance with DENR Administrative Order No. 61, series of 1993, the RSDs shall require all survey teams, private geodetic engineers and survey contractors to submit, as part of their survey returns, a Location Monument Recovery Report, with copies furnished to CGSD-NAMRIA and LMB.

In order to facilitate the PRS92 implementation, the RSD-LMS and CGSD-NAMRIA shall exchange digital copies of their respective lists of control points. The lists shall include the name/designation, geographic coordinates and upon request, descriptions of the control points. CGSD-NAMRIA shall plot all the points in regional maps and furnish the LMB and regional offices copies of their respective maps to facilitate the planning for recovery and densification of the points. The exchange of data and updating of regional maps shall be made on a continuing basis.

For immediate compliance.
