MEMORANDUM FROM THE SECRETARY

TO : Regional Executive Directors
Regional Technical Directors for Land
Management Bureau
Regional Directors for Environmental
Management Bureau

SUBJECT : **Submission of Pertinent Data on Solid Waste
Management**

DATE : **AUG 15 2005**

A list of potential sites for solid waste management facilities nationwide is currently being updated by the Office of the Secretariat of the National Solid Waste Management Commission to be able to provide technical assistance to the LGUs and other institutions in complying with the provisions of RA 9003.

In view of this, Regional Offices are hereby instructed to submit an updated list of potential sites with their locations for solid waste management facilities such as materials recovery facilities, controlled dump facilities and sanitary landfills.

Regional Technical Directors for Land Management Bureaus are also instructed to identify alienable and disposable lands that can be potential sites for SWM facilities.

In view thereof, you shall coordinate with the NSWMC/Secretariat for the submission of the above documents for consolidation and updating of the database system.

For your immediate compliance.
