MEMORANDUM

TO : All Undersecretaries, Asst. Secretaries,
Heads of Offices, Bureaus and Attach Agencies

FROM : The Undersecretary
Management and Technical Services

SUBJECT : Posting of Information in the DENR Web Site

DATE : 15 August 2005

The Internet is now one of the most popular and potent tools in disseminating or retrieving information. The DENR maintains a web page to inform the public about who we are, what we're doing, what we stand for, our policies and other related subjects.

As such, it is very important that we must exert efforts to post information on www.denr.gov.ph that is useful and of interest to the public in the most expeditious manner, without sacrificing quality and accuracy.

In view of the above, the DENR-Public Affairs Office will be the content provider technically assisted by the Management Information Systems Division (MISD). Therefore, PAO will serve as the clearing house for any information you wish to post on the web.

Please be guided accordingly.
