Dear Secretary Defensor:

In connection with our reforestation program and bamboo cultivation, may we request you to kindly order your provincial officers, to give us the data on the availability of large tracks of land of DENR where we can cultivate bamboo?

Many corporations and private individuals have told us of their interest in bamboo cultivation.

It would be perfect if we partnered with you through your Forest Management Bureau.

Thank you for your support.

Sincerely yours,

Leonarda N. Camacho
