

Republic of the Philippines  
Department of Environment and Natural Resources  
Environmental Management Bureau  
Visayas Avenue, Diliman, Quezon City

MEMORANDUM

TO : ALL EMB REGIONAL DIRECTORS

FROM : THE DIRECTOR  
Environmental Management Bureau

SUBJECT : **RESOURCE PERSONS FOR THE CONSUMER  
EMPOWERMENT SEMINAR**

DATE : 08 March 2005

---

The DENR sits as member of the National Consumer Affairs Council (NCAC) through the representation of Director Ramon M. Ezpeleta. Among NCAC's primary activities is the conduct of a continuing series of Consumer Empowerment Seminar. For 2005, the seminars will run from March to September in different regions of the country (please see attached schedule and venue). The DENR has been assigned to co-sponsor some of these seminars, to focus on Green Procurement as included in the provisions of Executive Order No. 301.

Acknowledging our expertise on Environmental Issues, Director Ezpeleta has requested our assistance in the identification and assignment of resource persons for the above topic in the regions where the seminars will be conducted.

Pending the finalization of details for the activities, you are requested to submit a list of possible resource persons in your respective regions, including their contact numbers and address. The NCAC Board Secretariat will need the information for future reference. Please send the list as soon as possible.

Your support is enjoined.

  
**JULIAN D. AMADOR**
