SUBJECT : **SUBMISSION OF PARTICIPANTS FOR THE WEBINAR SERIES  
ON WEBINAR SERIES ON MAINSTREAMING BIODIVERSITY  
IN INFRASTRUCTURE SECTOR IN NOVEMBER 2020**

The Biodiversity Management Bureau (BMB), together with the ASEAN Centre for Biodiversity - Biodiversity Conservation and Management of Protected Areas in ASEAN Project (ACB-BCAMP) will be holding a webinar series on Mainstreaming of Biodiversity in the Infrastructure Sector in November 2020. This activity aims to:

1. Enhance understanding and appreciation on the advantages of integrating green infrastructure on urban planning decisions and investments;
2. Identify and examine relevant Philippine laws and policies and look for steps to integrate green infrastructure;
3. Identify the importance of green infrastructure and its benefits to human well-being
4. Share best practices from green infrastructure practitioners;
5. Identify next steps in mainstreaming biodiversity in the infrastructure sector; and
6. Serve as a platform for the development of the framework for a proposed policy recommendation.

The webinar series will run for a span of four (4) weeks and divided into various modules which will cover topics on biodiversity and green infrastructure, laws and policies, initiatives on sustainable designs and nature-based solutions for climate change adaptation and disaster risk reduction.

In this regard, submit participants from your Region to attend the webinar series.

The link for registration, as well as the updates of the webinar will be sent upon confirmation of participants. Kindly accomplish the attached confirmation slip on or before **October 2, 2020**, and email to [cawed@bmb.gov.ph](mailto:cawed@bmb.gov.ph) cc to [acson.james@gmail.com](mailto:acson.james@gmail.com).
