Subject : **The 5th issue of The ASEAN Magazine**
Date : 05 October 2020

Dear Colleagues,

The Department is pleased to share the 5th issue of *The ASEAN* which provides an overview of climate change, highlighting issues facing the region and measures that need to be taken. It includes an interview with Cambodia's Minister of Environment, H.E. Say Samal, Chair of the ASEAN Ministerial Meeting on the Environment.

The issue also includes the experiences of ASEAN's youth activists in promoting biodiversity, marine ecology and addressing climate change. Dr. Gro Harlem Brundtland, former Director General of the World Health Organization, provides her insights on sustainable development, COVID-19, and addressing inequalities. Readers will be informed of the economic impact of COVID-19 and the development of the ASEAN Comprehensive Recovery Framework through *The ASEAN's* conversation with Deputy Secretary General of the ASEAN Economic Community, Dr. Aladdin D. Rillo.

The issue may be downloaded through the ASEAN Secretariat website and the social media pages below. It may be shared with the public through the relevant social media platforms as part of the Philippine's effort to raise awareness about ASEAN.
