Subject: [PPWE] Invitation for Webinar on Gender Data for Structural Reform, October 27th (Registration by 25 October)

Register by 25 October

Dear colleagues,

The New Zealand PPWE team is pleased to invite you to attend a webinar: Exploring options for an APEC-specific gender analysis tool. This session is intended to shape the ongoing work of the project Gender data for structural reform, which was approved by PPWE for Project Session 1 2020. This webinar will be held over Zoom on 27 October, 2pm to 4pm (New Zealand time).

The webinar will be split into two halves. In the first half, expert speakers will share their experience of using gender analysis supported by data to achieve better policy outcomes.

In the second half, participants will be grouped into breakout rooms to work through an example policy problem using the Bringing Gender In online tool, followed by a feedback session to better understand the needs and priorities of APEC economies to increase uptake of gender data and analysis.

While this invitation has been circulated to PPWE members, we also encourage PPWE members to share this invitation to colleagues working with other APEC fora and subfora so that together we can keep women and girls at the centre of our work programmes. We ask that economies keep gender balance in mind when registering participants, so that there are a good number of men participating as well as women.

Registration is open at this link until 25 October. If you have any questions please direct these to Meredith.lawry@women.govt.nz

Thank you and we look forward to talking with you virtually on 27 October.

NZ PPWE team
