Dear **Secretary Cimatu**:

In preparation for the FY 2022 Annual Plan and Budget, the Department of Agriculture (DA), through its Regional Field Offices (RFOs), will be conducting joint planning workshops with various stakeholders in agriculture and fisheries sector including local government units (city, municipal, and provincial), non-DA line agencies, non-government organizations, academe, farmers and fisherfolk groups, and the private sector (local agriculture and fishery councils), among others. These activities will be conducted between October and November 2020.

The primary objective of the workshops is to convene various stakeholders in the agriculture and fisheries sector at the local and regional levels to identify priority programs, projects and activities (PPAs) for FY 2022 onwards that will contribute to the attainment of the goals and objectives for the development of the sector. The identification of PPAs will be guided by the updated policy framework, strategic directions, thrust and priorities for the agriculture and fisheries sector including the COVID-19 pandemic response which the DA will be presenting. These PPAs will serve as inputs to the preparation of the respective Agricultural Development Program (ADP), under the Program Convergence Budgeting (PCB) strategy, of member-national government agencies (NGAs) which the DA spearheads. Non-member NGAs which are deemed contributory to the sector's development are likewise invited to participate in the workshops.

In this regard, the DA would highly appreciate it if you could enjoin representatives from your regional offices to participate in the said workshops. While the DA-RFOs, through the Planning, Monitoring and Evaluation Division (PMED), will be directly coordinating with their counterparts in the region, it would also be helpful if your office could issue instructions to ensure their full and active participation in the workshops.

For inquiries, you may contact the Planning and Programming Division (PPD) of the Planning and Monitoring Service (PMS) via direct line (02) 8920-1921 or trunk line (02) 8928-8764 locals 2352 to 2357 or via email ppd@da.gov.ph.
