Dear Mr. Secretary,

5 November 2020

First and foremost allow me to express my hope that you and your colleagues are safe and healthy during these challenging times.

I wish to inform you personally that after the end of the tour of duty in the Philippines of Ambassador Dr. József Bencze who met with your predecessor in January 2020, our new Ambassador-designate, Dr. Titanilla Tóth is standing by to assume her duties in the Philippines at the soonest, after the presentation of her Letters of Credence to His Excellency President Rodrigo Roa Duterte. Pending this important occasion, based on the information given by the Protocol Office of the Department of Foreign Affairs, the Ambassador-designate is ready to make introductory calls to the important government agencies.

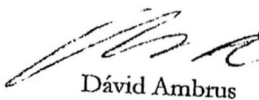

In light of this and with the good momentum achieved in the cooperation of our countries in the past months, we would like to request for an introductory meeting of our Ambassador-designate with Your Honor.

During the meeting, the Ambassador-designate would like to give you a quick overview about the activities and plans of Hungarian companies in the Philippines, among them the Hungarian Water Technologies Corporation (HWTC) which is already cooperating with the Laguna Lake Development Authority.

May we suggest this introductory meeting to take place on the week between 9-13 September 2020 at your convenience and availability.

I thank you in advance for your kind reply. The Embassy of Hungary and myself are looking forward to a partnership with you on important matters of mutual interest.

Sincerely yours,

Dávid Ambrus
Chargé d'affaires a.i.
