Dear **Secretary Cimatu**:

The *Bayanihan to Recover as One Act* (Republic Act [RA] No. 11494), which was approved by the President on September 11, 2020, aims to provide recovery interventions and mechanisms to accelerate the recovery and bolster the resiliency of the Philippine Economy as a response to the damages brought by Coronavirus Disease 2019 (COVID-19) pandemic.

Section 4 (q) of the said law provides, in part, that the Department of Budget and Management and the Bureau of the Treasury shall automatically and completely release any adjusted or remaining shares of local government units (LGUs) in national wealth and National Tax Allotment pursuant to Section 286 of RA No. 7160 or the "Local Government Code of 1991."

In this regard, to enable us to process the release of the remaining shares of LGUs in the proceeds from the development and utilization of the national wealth pursuant to Sections 289 to 294 of RA No. 7160, may we respectfully request for your submission of the joint certifications and necessary documentary requirements covering the collections derived by the national government from forest charges and royalty fees from mineral reservations.

The certification(s) that will be submitted by the DENR will serve as our basis in the release of funds to the beneficiary LGUs.

We hope to receive your feedback or response the soonest time possible.

Thank you and God bless.

Very truly yours,

**WENDEL E. AVISADO**
