Thu, Dec 10, 2020 at 8:00 AM

December 10, 2020

**Undersecretary Jonas Leones**

Department of Environment and Natural Resources  
Visayas Avenue, Diliman  
1104 Quezon City

Dear Usec Leones,

Greetings!

Future Earth Philippines in collaboration with Future Earth Asia will hold a two-day on-line workshop on "**National Future Earth Workshop on SDG Futures, Pathways, and Initiatives**" on 16 December 2020 from 8:30 AM to 5:10 PM and 17 December from 1:10 to 5:00 PM.

As shown in the attached program the specific objectives of the workshop are as follows:

- To provide an orientation to the Future Earth Philippines program/platform, its objectives, organization, processes, and outputs.
- To provide an orientation on science-based pathways, and foresighting and backcasting approaches to achieving the SDGs at city and community levels.
- To list and cluster national and local SDG-attentive experts and practitioners into workshop groups to do future scenarios and identify knowledge-into-action initiatives.
- To start a continuing cross-level (national, regional, and local) and cross-disciplinary conversation between members of the NAST/NRCP community (foresighting focus) and the Future Earth Philippines community (knowledge-into-action focus).

Knowing of your interest and expertise in sustainability and resilience, we cordially invite you to join us in the workshop. It will be an opportunity to bring together stakeholders from the government agencies, private sector, and the academe to learn from each other about initiatives and knowledge-into-action problem-solving perspectives for application at the national and local levels.

Please confirm your attendance on or before **14 December 2020** by registering in advance for this online workshop through <https://bit.ly/futureearthph2020>. We will send the zoom link and password once you have registered. If for any reason, you cannot attend, you can send representative/s on your behalf.

For any inquiries and clarifications, you may contact us at +639175272060 or email us at [futureearthph@nast.dost.gov.ph](mailto:futureearthph@nast.dost.gov.ph) and [futureearthph@gmail.com](mailto:futureearthph@gmail.com) through Mr. Vicson Cedric Visperas or Ms. Riza Marie Fausto.

Sincerely yours,

**LOURDES J. CRUZ**
