Dear Secretary Cimat,

The Department of Energy joins the Department of Environment and Natural Resources in your quest to deepen the country's commitment to protect the economy and environment from the adverse effects of climate change through the declaration of a climate emergency.

In this regard, we will appreciate receiving indicative reports from DENR on the energy resource, downstream oil and electricity sectors' state of compliance to the Philippine Clean Air, Clean Water and Ecological Solid Waste Management Acts in both the permitting of pre-operating and ongoing operating phases. Our intention is to have our DOE Bureaus to join hands and collaborate with DENR Bureaus to ensure the energy entities concerned implement self-monitoring and correcting measures compliant within the Acts' mandated standards.

Your usual valued attention is much appreciated.

Sincerely yours,

ALFONSO G. CUSI
 Secretary
