The UN-REDD Programme supports efforts to rebuild a greener economy after the COVID-19 pandemic, maximizing the potential of forest solutions to create green jobs and boost rural economies. You are invited to join the UN-REDD Programme webinar on January 15, which will provide an opportunity to discuss the employment generation potential of forest solutions in the recovery context and to share the experiences of forest countries in the Asia Pacific region taking decisive actions in their COVID-19 responses. For registration, please see below.
