The Task Force Tayo Ang Kalikasan on the Program for the Environment and Natural Resources for Restoration, Rehabilitation and Development (PRRD) was created to strengthen environmental approach on conservation, preservation, restoration and management. Anchored on its two (2) major components, the information branding campaign and social mobilization among various groups of Non-Government Organizations (NGOs), Local Government Units (LGUs), civic groups and societies, the academe and other Peoples Organizations (POs), the Task Force Tayo Ang Kalikasan intensifies its effort towards a greener and sustainable socio-economic reform.

To further reinforce these advocacies underlining environmental stewardship and uphold its numerous activities, all DENR-Regional Strategic Communication and Initiatives Groups (RSCIGs) including EMB-Environmental Education and Information Units (EEIUs) Focal and Alternate Focal Persons are enjoined to attend and actively participate in all its upcoming events and activities.

We look forward to more projects and greater heights in the realization of our program. Your invaluable presence and collaborative efforts will be very much appreciated.

For your information.
