INVITATION

The National Academy of Science and Technology, Philippines (NAST PHL) is pleased to invite you to the following webinars via Zoom:

Digital Transformation and Digital Ecosystems
11 January 2021, 10:00 AM – 12:00 NN

The webinar aims to highlight the following: (1) What Digital Transformation (DT) is -- its meaning, why it continues to be an important on-going trend, significant experiences with DT (local/national and international); (2) DT benefits and risks, and other implications (economic, social, cultural) for our country; (3) DT in selected domains in Health, Education, Business and Industry, Environment and Waste management, Public Data, STI, Infrastructure (Shelter, Energy, Water, ICT), etc.; and (4) Explain Digital Enterprise Ecosystems (DEE) and the Digital Platforms (DP) upon which such DEEs operate.

Registration link: <https://bit.ly/ElevateDX>
Provisional Program: <http://bit.ly/ElevateDXProgram>

Commercially-caught Freshwater Fishes in the Philippines: Status, Issues, and Recommendations
15 January 2021, 10:00 AM – 11:30 AM

The objectives of the webinar are to (1) assess the status of commercially-caught freshwater fishes in the Philippines; (2) identify the main issues threatening the sustainability of the major commercially-caught freshwater fishes; and (3) recommend appropriate actions and/or measures for the conservation of commercially-caught freshwater fishes.

Registration link: <https://bit.ly/CCFFWebinar>
Provisional Program: <http://bit.ly/CCFFProgram>

Each institution is given a maximum of four (4) slots and Zoom slots are given on a first come-first serve basis. If the Zoom room is full, you can still watch the webinars via Facebook Live (<https://www.facebook.com/nastphl/>).

Sending you well wishes in these trying times. Thank you very much.
