MEMORANDUM

FOR : All Regional Directors

The Directors
Ecosystem Research Development Bureau (ERDB)
Land Management Bureau (LMB)

FROM : The Director
Knowledge and Information Systems Service

**SUBJECT : DEPLOYMENT OF NETWORK SECURITY APPLIANCES FOR
THE DENR FIELD OFFICES**

DATE : 5 April 2021

We are pleased to announce that your network security appliance was recently delivered and will soon be deployed on your respective offices.

With the onslaught of internal and external network security issues, it is imperative that offices protect themselves by ensuring an up-to-date network security posture. DENR Knowledge and Information Systems Service (KISS) thru its Network Infrastructure Management Division (NIMD) deemed it necessary to improve the field offices network security from external threats through the procurement of Network Security Appliances. The scope of the deployment will cover all Regional offices and its PENROs, ERDB and LMB.

Please provide a report regarding the status of security appliances installed in each CENRO last 2019.

Should you have questions, clarifications or in need of assistance, you may contact KISS-NIMD at VOIP 1143, (02)8926-4806 or email us at nimd@denr.gov.ph.
