URGENT

22 April 2021

Sir:

The Department respectfully forwards an invitation from the National University of Singapore's Lee Kuan Yew School of Public Policy (LKYSPP) for urban water policy officials to participate in the **9<sup>th</sup> Temasek Foundation Water Leadership Programme** scheduled for 14-25 June 2021.

The capacity building program, which will be conducted entirely online, aims to empower water policymakers and experts with strategies and best practices in **urban water policy and management**, in order to address the multidimensional challenges faced by many Asian cities in providing clean and stable water supply that meets the needs of their population.

The LKYSPP is inviting teams of three (3) participants from the same organization, namely senior public officials and civil servants from national, regional, and city government agencies that deal with urban water policy, as well as large utilities and other public organizations with policy functions. A nominal fee of SGD 500 charged on each participating team will be fully refunded upon successful completion and submission of project deliverables, due six (6) months after the end of the Programme.

Attached for reference are the letter-invitation from Mr. Alwyn Lim of LKYSPP and the Programme brochure. For more information, your good Office may coordinate directly with Mr. Lim via email at [alwynlim@nus.edu.sg](mailto:alwynlim@nus.edu.sg) or [lkysppint@nus.edu.sg](mailto:lkysppint@nus.edu.sg). The deadline for submission of application is on **30 April 2021**.

With the Department's best wishes.

Very truly yours,  
For the Secretary of Foreign Affairs:

  
NATHANIEL G. IMPERIAL  
Assistant Secretary

Secretary ROY A. CIMATU
