DATE : June 4, 2021, 7 AM onwards

VENUE : Delpan, Port Area, Manila near Philippine Coast Guard outpost

The Department of Environment and Natural Resources, as the main agency responsible for solid waste management, has been vulnerable to the impacts of the novel coronavirus disease (COVID-19), particularly on the proliferation of health care waste. However, amidst the setbacks, we cannot be remiss of our duties and responsibilities as we continue to deliver services to the public.

With this, in celebration of the World Environment Day, a joint operation with the Philippine Coast Guard will be conducted on June 4, Friday with regards to the strict implementation of environmental laws and regulations to address pollution in the Manila Bay region.

All expenses to be incurred by PCG in this activity shall be charged against the funds of the office of the undersigned.

Your participation in this activity is highly appreciated.
