All PENR Officers

All CENR Officers

FROM : **The Undersecretary**
Field Operations and Environment

SUBJECT : **DESIGNATION OF THE FOCAL PERSONS TO THE ONLINE SYSTEM AND FASTTRACKING OF THE PROCESSING FOR ALL THE ENERGY-RELATED PROJECTS IN COMPLIANCE WITH THE ENERGY VIRTUAL ONE-STOP SHOP (EVOSS) ACT**

DATE : **JUN 08 2021**

This has reference to the agreements during the Workshop on the Harmonization and Streamlining of DENR Permits, Issuances, and Processes for Energy-Related Projects in Compliance with the EVOSS Act held last 11-12 March 2021 to: (1) Identify the designated EVOSS System Focal Persons from the Central Office up to the CENRO Level and (2) Fast track the processing of all the energy-related projects.

The EVOSS is an online system that allows the coordinated submission and synchronous processing of all required data and information and provides a single decision-making portal for actions on applications for permits and/or certifications necessary for, or related to, an application of a proponent for new power generation, transmission, or distribution projects. The abovementioned workshop was conducted to bring together the concerned Bureaus, Attached Agencies, and other Offices to undertake the streamlining of issuances and processes for the energy projects for each of the identified "scenarios" in compliance with EVOSS Act.

In this regard, we would like to request your respective Offices to submit the names and position of the designated focal persons to the online system and to fast track the processing of all the energy-related projects. Please submit the list of designated EVOSS system focal persons on or before **15 June 2021** to the email address: **psddivision@gmail.com**.

For your compliance and preferential action.

ATTY. JUAN MIGUEL T. CUNA, *CESO I*
