In line with the implementation of DENR Control Map and the procurement of ArcGIS Enterprise software of the Department, the online subscription for ArcGIS Online that came with the software, and other applications associated with it, will end by January 31, 2021.

Offices are advised of the following:

- You will no longer be able to login to ArcGIS Online (www.denrcontrolmap.arcgis.com) by January 31, 2021.
- Existing and on-going files and projects must be transferred to an external or separate storage.
- For web applications (e.g. Survey123 forms) that you have created during the subscription period and are still currently in use, please contact SDRMD through denrcontrolmap@denr.gov.ph for continuity options.
