Dear Secretary Cimatú:

Good day!

Pursuant to Section 13 of Republic Act No. 8435 or the Agriculture and Fisheries Modernization Act (AFMA) of 1997, the Department of Agriculture (DA) is mandated to formulate and implement the Agriculture and Fisheries Modernization Plan (AFMP) to develop the agriculture and fisheries sector with focus on food security, poverty alleviation and social equity, income enhancement and profitability, global competitiveness, and sustainability.

Realizing the need to accelerate the transformation of the agriculture and fisheries sector, the DA, through the Technical Assistance from the Asian Development Bank (ADB) and the Food and Agriculture Organization (FAO), is currently formulating the National Agriculture and Fisheries Modernization and Industrialization Plan (NAFMIP) 2020-2025.

In this regard, being one of our partner agencies that provide considerable support to the agriculture and fisheries sector, the DA would like to request the participation of your regional/provincial offices in the conduct of orientations, consultations and writeshops in crafting the plan. Attached herewith is the tentative schedule of NAFMIP Planning Workshops, for your reference. We will inform you of the final schedule of activities once confirmed.

Attached is the signed copy of the letter for your ready reference.

We would appreciate it if you could acknowledge receipt of this email. For any query and clarification, your staff may contact Ms. Joyce L. Pioneta or Ms. Irish K. Tuazon of Planning and Monitoring Service - Planning and Programming Division (PMS-PPD) at tel. no. 8273-2474 local 2352/2353 or send an email to nafmippd@gmail.com.

Thank you so much.

Respectfully yours,

PPD NAFMIP Preparation Team

Dear **Secretary Cimat**:

Greetings!

Pursuant to Section 13 of Republic Act No. 8435 or the Agriculture and Fisheries Modernization Act (AFMA) of 1997, the Department of Agriculture (DA) is mandated to formulate and implement the Agriculture and Fisheries Modernization Plan (AFMP) to develop the agriculture and fisheries sector with focus on food security, poverty alleviation and social equity, income enhancement and profitability, global competitiveness, and sustainability.

Realizing the need to accelerate the transformation of the agriculture and fisheries sector, the DA, through the Technical Assistance from the Asian Development Bank (ADB) and the Food and Agriculture Organization (FAO), is currently formulating the National Agriculture and Fisheries Modernization and Industrialization Plan (NAFMIP) 2020-2025. The Plan is anchored on the New Thinking for Agriculture which highlights the thrusts to modernize and industrialize the sector through its eight paradigms. Moreover, it shall be guided by relevant policy frameworks focused on achieving food security and resiliency of the country as well as prosperity and empowerment of the farmers and fisherfolk.

In this regard, being one of our partner agencies that provide considerable support to the agriculture and fisheries sector, the DA would like to request the participation of your regional/provincial offices in the conduct of orientations, consultations and writeshops for NAFMIP. We believe that their technical expertise in the ground are imperative in crafting the plan. We will inform you of the schedule of activities once final.

For any query and clarification, please contact Ms. Joyce L. Pioneta or Ms. Irish K. Tuazon of Planning and Monitoring Service-Planning and Programming Division (PMS-PPD) at tel. no. 8273-2474 local 2352/2353 or 09452105835/09672540937, and through email address nafmippd@gmail.com.

We look forward to a meaningful collaboration with you on this project.

Very truly yours,

WILLIAM D. DAR, Ph. D.
