MEMORANDUM

TO : BUREAU DIRECTORS
EXECUTIVE DIRECTOR,
Manila Bay Coordinating Office

THRU : GAD Focal Persons

FROM : THE UNDERSECRETARY, and
CHAIRPERSON, National Gender and Development
Focal Point System (NGFPS)

SUBJECT : SUBMISSION OF APPLICATION RESULTS ON HGDG
PLANNING AND DESIGN CHECKLIST ON ALL DENR
PRIORITY PROGRAMS BY SEPTEMBER 21, 2021

DATE : September 13, 2021

Pursuant to Joint Circular 2012-01 of the Philippine Commission on Women, the National Economic Development Authority and the Department of Budget Management, the NGFPS is calling on all bureaus, and offices managing priority programs of DENR to submit their Harmonized Gender and Development Guideline (HGDG) application results by September 21, 2021, using the Planning and Design Checklist for Natural Resource Management or Box 9.

HGDG applications are intended to assess the gender-responsiveness of programs and their results should inform the preparation of GAD Plan and Budget (GPB) 2022. The deadline for submission of September 21 is intended to ensure that DENR Regional Offices and implementing offices of priority programs are informed of HGDG results in time for their preparation of their respective GPB for 2022.

The following should be included in submitting the HGDG application results or score sheet:

- A computation sheet showing the portion of the priority program's 2022 budget for GAD budget attribution
- Properly indexed and labeled documents that serve as means of verification

For information and compliance.
