MEMORANDUM

TO : **The Regional Executive Directors**
DENR Regions CAR, I, II, III, IV-A, IV-B, V, VI, VII VIII, IX, X,
XI, XII, XIII

FROM : **The Undersecretary**
Field Operations and Environment

SUBJECT : **Request for Assistance from UPLB on the Data Requirements of
the CBFM Stocktaking and Forest Fragmentation Analysis
Project**

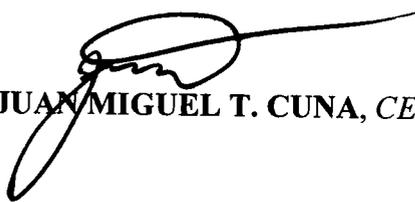

DATE : **JAN 21 2021**

The University of the Philippines at Los Baños is currently implementing the project entitled “*Assessing the Community-Based Forest Management (CBFM) Program in the Philippines through Stocktaking and Forest Fragmentation Analysis*” in cooperation with the Forest Management Bureau (FMB), the DENR-Policy and Planning Service and the National Mapping and Resource Information Authority (NAMRIA). The said project is funded by Forest Foundation Philippines (FFP) and has nationwide coverage.

The main objective of the project is to assess the CBFM Program by: (i) undertaking a stocktaking of literature from 2001 to 2019; and (ii) conducting forest fragmentation analysis of CBFM sites nationwide, establish baseline and provide solid empirical evidence on CBFM’s impact on forest condition. The project duration is from October 2019 to September 2021.

Now on its 3rd year of implementation, the project has encountered difficulties in securing data and other relevant information and would require access to said data from your respective offices. In this regard, kindly provide the needed information as indicated in the attached list. Please note that the results of the said project could provide us with evidence-based policy and operational recommendations on enhancing CBFM implementation.

For your preferential and appropriate action.

ATTY. JUAN MIGUEL T. CUNA, CESO I
