SUBJECT : **The 8th ASEAN SPECIALISED METEOROLOGICAL
CENTRE (ASMC) BULLETIN**

DATE : 23 September 2021

This refers to the email dated 21 September 2021 signed by Gavin Yeap, Senior Meteorologist, ASEAN Specialised Meteorological Centre, transmitting a copy of The 8th ASMC Bulletin.

The ASMC Bulletin, issued on a biannual basis, aims to provide useful information for users in ASEAN's National Meteorological and Hydrological Services (NMHSs), water resources management, disaster risk reduction, agricultural, environmental and forestry sectors. The core contents of this publication comprise the review and outlook of haze, weather, and climate of importance to the region. The bulletin also features the ASMC's activities and guest articles contributed by NMHSs and partners in the region. The bulletin is circulated in March and September every year to align the outlook and assessment with the quarterly seasons. For previous issues of the bulletin, kindly visit the ASMC website (<http://asmc.asean.org>).

The ASMC welcomes any feedback to improve the bulletin or contributions of articles relating to significant weather/climate events in the region through email address at ASMC_Enquiries@nea.gov.sg

Dear all,

-

The 8th ASMC Bulletin

The ASEAN Specialised Meteorological Centre (ASMC) is pleased to announce the eighth issue of the ASMC Bulletin.

2. Issued on a biannual basis, the bulletin aims to provide useful information for users in ASEAN's National Meteorological and Hydrological Services (NMHSs), water resources management, disaster risk reduction, agricultural, environmental and forestry sectors. The core contents of this publication comprise the review and outlook of haze, weather, and climate of importance to the region. The bulletin also features the ASMC's activities and guest articles contributed by NMHSs and partners in the region.

3. The bulletin is circulated in March and September every year to align the outlook and assessment with the quarterly seasons of March-May and June-August (MAM & JJA) and September-November and December-February (SON & DJF) respectively. The bulletin is attached in this email for your convenient reference. You may also like to visit the ASMC website (<http://asmc.asean.org>) for the previous issues.

4. We hope that the bulletin will be a useful reference to you. We welcome any feedback to improve the bulletin or contributions of articles relating to significant weather/climate events in the region through our email address at ASMC_Enquiries@nea.gov.sg.

Thank you.

Regards,

Gavin YEAP | Senior Meteorologist
