MEMORANDUM

FOR : ALL REGIONAL EXECUTIVE DIRECTORS
Regions CAR, I, II, III, CALABARZON, MIMAROPA,
V, VI, VII, VIII, IX, X, XI, XII, XIII

FROM : THE DIRECTOR
Foreign-Assisted and Special Projects Service

SUBJECT : KEY INFORMANT INTERVIEW REQUEST FROM THE
UNIVERSITY OF SOUTHERN PHILIPPINES

This is in reference to the letter request from the University of Southeastern Philippines relative to DOST-PCAARDD's funded project entitled: "Resiliency of the AANR Sector in Times of Crises: A Compendium of Regional Case Studies and Best Practices of Consortium Member Initiatives in the Philippines." They are requesting data relating to disaster initiatives of the agency.

Members of their project team would like to contact your office for the Key Informant Interviews (KIIs) as well as to acquire materials related to disaster initiatives such as list of projects, terminal reports, and documentations among others.

We have attached the letter from the University of Southern Philippines for your reference.

For your kind assistance.

WILFREDO J. OBIEN

University of Southeastern Philippines
Office of the President

18 November 2021

SEC. ROY A. CIMATU

Secretary
Department of Environment and Natural Resources (DENR)
Visayas Avenue, Diliman, Quezon City, 1100

Sir:

Greetings!

This has reference to DOST-PCAARRD's funded project entitled: "*Resiliency of the AANR Sector in Times of Crises: A Compendium of Regional Case Studies and Best Practices of Consortium Members' Initiatives in the Philippines*", conducted by the University of Southeastern Philippines (USEP). In terms of projects relating to disasters and other perils, the Department of Environment and Natural Resources (DENR) has led several initiatives to counter the risk of pests and diseases and other type disasters— natural, man-made, hybrid disasters and, recently the COVID-19 pandemic.

With this, the project team would like to **request data relating to disaster initiatives** of the agency (i.e., list of projects, terminal reports, documentations and other reference materials). Furthermore, we would also like to **request endorsement to all regional offices** of the DENR, for us to contact them with regard to our Key Informant Interviews (KIIs).

This gathered information will serve as our inputs for our compendium of case studies, and assess their success stories and best practices in addressing major disasters and risks in every region.

For your response, kindly contact our Project Leader, Ms. Jennifer E. Hinlo, or our Science Research Analyst, Mr. Larry Jay G. Samontina, at 09174344681 or (082) 227-8192 local 250/251. You may also email us at caec_resiliency@usep.edu.ph.

Your steadfast support will greatly contribute to the success of this study.

Thank you very much.

Very truly yours,

LOURDES C. GENERALAO

SUC President IV

SMAARRDEC RRDC Chairperson
