Biodiversity Management Bureau  
Legal Affairs Service  
Policy and Planning Service

**FROM :** The Director  
Legislative Liaison Office

**SUBJECT :** SUSTAINABLE INTERVENTIONS IN BIODIVERSITY OCEANS  
AND LANDSCAPES PROJECT

---

The Sustainable Interventions in Biodiversity, Oceans and Landscapes (SIBOL) Project, implemented by RTI International, is a five-year biodiversity conservation and governance project that started in July 2020. Through close coordination with the Philippine government, it seeks to introduce and scale up high-impact environmental interventions that support the sustainable management and governance of key natural resources and reduce environmental crimes and unsustainable practices. The SIBOL Project's major national implementing partner is the Department of Environment and Natural Resources (DENR), along with the Department of Agriculture's Bureau of Fisheries and Aquatic Resources (DA-BFAR) and the Palawan Council for Sustainable Development (PCSD).

In this regard, we are inviting your Office on **20 April 2022, 2:00 pm on the 3<sup>rd</sup> Floor, Office of the Undersecretary for Field Operations – Luzon, Visayas and Environment, DENR Main Building** for a presentation of the SIBOL Project and consider possible areas of collaboration resulting to the proposal and enhancement of biodiversity and natural resource management-related policies.

Kindly inform this Office of your attendance before the scheduled date to the Legislative Liaison Office, number 8920-1761, or at the e-mail address [denrlegislative@yahoo.com](mailto:denrlegislative@yahoo.com)

For your information.
