MEMORANDUM

0 2 MAY 2022

FOR : REGIONAL EXECUTIVE DIRECTORS
FROM : THE DIRECTOR
Foreign-Assisted and Special Projects Service
SUBJECT : FASPS PHOTO DIGEST

The Foreign-Assisted and Special Projects Service (FASPS) plans to create a Photo Digest featuring sustained initiatives of selected completed and ongoing FASPs. This photo digest will showcase the results of the interventions initiated by foreign-assisted and special projects for the last 30 years. Likewise, it shall serve as a memento and reference material of the tangible contributions of the projects to the improvement of the environment and natural resources (ENR), and benefits to the stakeholders.

In line with this, we are requesting assistance from your office to validate the existence and/or suggest possible sites/interventions to showcase tangible contributions of FASPs, as well as to assign a focal person whom we could follow through for this endeavor. We would appreciate it if you could provide us the necessary information on or before May 13, 2022 for us to start the detailed plan for the activity. Attached is the matrix of pre-identified projects together with the link to the project profile for your reference.

For clarification and queries you may contact our staff, Ms. Laarni V. Marciano or Ms. Alma Estrada of the Project Monitoring and Evaluation Division, FASPS through tel. no. (02) 8926-2689 or email us at lvmarciano@denr.gov.ph.

For your assistance and support.

WILFREDO J. OBIEN

cc: Undersecretary for Policy, Planning and International Affairs
