SUBJECT : **DENR-UNDP PROJECT: DEVELOPMENT OF DENR ICT  
ROADMAP AND ENHANCEMENT OF THE INFORMATION  
SYSTEMS STRATEGIC PLAN**

In line with the preparation of the DENR Information Systems Strategic Plan (ISSP) 2024-2026, the DENR, through UNDP's National Accelerated Modality (NAM) scheme, engaged Bewsys Limited to draft the ICT roadmap of the Department and further enhance the DENR ISSP. Bewsys, an international ICT consulting organization based in Ghana, took part in other ICT projects with DENR, DOH and NEDA in the past.

The overall objective of the project is to draft a more practical and technical ICT roadmap for the DENR – setting out project-level detail, budgetary estimates, resource needs, and associated project and investment timelines for the next three years. The project is expected to be completed by August 5, 2022. At the end of the project the following outputs are expected:

1. Gap Analysis Report
2. DENR ICT Roadmap
3. Enhanced Information Systems Strategic Plan
4. Organizational Change Management Plan

In this regard, we would like to request for your office's input, through your ICT Focal Person, by answering the questionnaire prepared by Bewsys, which can be accessed through this link: <https://tinyurl.com/DENRICTRoadmap>. Please fill out the questionnaire on or before **June 10, 2022**. For further clarification/inquiries, you may email us at [sdrmd@denr.gov.ph](mailto:sdrmd@denr.gov.ph) or call (63) 8925-8278.

For your information and guidance.
