Subject: The 5th Annual Beta Sigma Fraternity Anniversary Ride: Manila Baywalk Dolomite Beach Clean-up Ride

Dear Asec Masuda:

Warm greetings!

In line with the Beta Sigma Fraternity's 76th Founding Anniversary this July, the Malmon Bikers Cycling Club of the Beta Sigma Fraternity would like to conduct a beach clean-up in celebration and thanksgiving of this momentous event. The proposed 5th Annual Beta Sigma Fraternity Anniversary Ride: Manila Bay Dolomite Beach Clean-up is scheduled this July 31, 2022.

The abovementioned event is in support of the DENR's rehabilitation of Manila Bay. These events aim to mobilize various sectors, particularly cyclists and enthusiasts, in promoting environmental conservation and awareness while maintaining a healthy lifestyle. The Bike Ride will start at 5:00AM from the DENR Central Office and participants will bike up to the Manila Baywalk Dolomite Beach for the beach clean-up. The clean-up event accompanied with a short program and breakfast will start at 7:00 AM and will end at 10:00AM. An estimated 100 cyclists are expected to join this event.

In relation to this, we would like to ask for DENR's support to make this event more meaningful and impactful. May we also request your presence in this activity by delivering a keynote message on the participation of the citizenry in the DENR's environmental protection. Attached herewith is the proposed program of the event for your reference.

We will coordinate with your Office for further developments. We look forward to your positive response.

Thank you very much.

Sincerely,
