**FROM : THE DIRECTOR**  
Foreign-Assisted and Special Projects Service

**SUBJECT : COMPLETED PROJECTS STOCKTAKING**

This is in reference to the Secretary's priority agenda. The Foreign-Assisted and Special Projects Service (FASPS) is currently stocktaking outputs and outcomes of selected completed projects to identify gaps and to focus programing of DENR's future projects for possible funding assistance.

In line with this, we are requesting assistance from your office to validate if the outputs generated by the projects were mainstreamed, adopted, utilized and/or institutionalized by DENR, LGUs, communities and other government agencies.

Attached is the matrix of the projects with the list of outputs that need to be validated. We would appreciate it if you could provide us with the necessary information in the *Remark* column on the matrix on or before September 2, 2022. You may also use the file accessible through the link: [https://bit.ly/FAPs\\_stocktaking](https://bit.ly/FAPs_stocktaking) for convenience.

For clarification and queries you may contact our staff, Ms. Laarni V. Marciano or Ms. Alma Estrada of the Project Monitoring and Evaluation Division, FASPS through tel. no. (02) 8926-2689 or email us at [lvmarciano@denr.gov.ph](mailto:lvmarciano@denr.gov.ph).

For your assistance and support.
