Dear **Undersecretary Leones**:

The bi-annual NCI-SRD Digest, the official newsletter of the NCI-SRD, is an essential tool to strengthen the organization's information, education, and communication (IEC) campaign. It is an avenue to present the different Regional Convergence Initiative Technical Working Groups (RCI TWG) initiatives to the general public, particularly in their respective convergence areas.

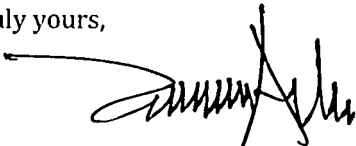

In this regard, may we request your good office to facilitate the **submission of news or feature articles highlighting the programs/activities/projects (PAP) within the convergence areas covering the period of July to November 2022** of the DENR RCI TWG members? The following specifications should also be observed:

1. A maximum of 500 words per article;
2. With high-resolution photos (at least 240 dpi) as separate attachments;
3. Photos should have appropriate captions;
4. Microsoft Word format; and
5. Name of the writer and photographer should be indicated including their positions and agencies.

Submitted articles shall be proofread and publication-ready. **Kindly submit your articles on or before Friday, 18 November 2022** through ncisrd@da.gov.ph. For further clarifications and other concerns, your staff may contact Mr. Justine Devela of the NCI-SRD National Secretariat via email at ncisrd@da.gov.ph.

Thank you for your continued support to the NCI-SRD.

Truly yours,
