This is in line with the PSPA's conduct of "*A Review of the Local Governance in the Philippines from 1991 to 2021*" in collaboration with the United Nations Development Programme (UNDP) which aims to provide a database of basic information on the local governments of the 17 Regions and 81 Provinces of the Philippines; alongside producing assessment report on the current status of decentralization and local autonomy in these regions.

May we request your office to provide the requested data relevant to your sector. Please submit them to PMED thru email at ppso.pmed@denr.gov.ph not later than **18 March 2022**. If such data periods are not available, you may submit at least a minimum of 2016-2021 data. Initially, may we request you to send through PMED's email, the contact details of the person to whom we can follow up this request.

For your preferential attention, please.
