**MEMORANDUM**

**FOR / TO : All DENR Officials and Employees**

**FROM : The Director**  
Knowledge and Information Systems Service

**SUBJECT : NOTICE OF NETWORK MAINTENANCE AND SECURITY STRENGTHENING**

**DATE : January 3, 2023**

---

As part of the continuous effort of this office to further improve and strengthen the network security of the Department's ICT infrastructure, we would like to inform you that we will be conduct a network maintenance and security strengthening starting January 6 after office hours to January 13, 2023. The said activities aim to increase reliability of our network and help improve the security against internal and external cyber threats.

During the said activities, you will be experiencing intermittent internet connection so we advise offices to avoid scheduling online meetings or other virtual activities on the abovementioned dates. However, if your office already scheduled online activities prior to this notice kindly coordinate to Network Infrastructure Management Division (NIMD).

Rest assured that we will try our best to expedite the process to shorten the inconvenience that you may experience. Further, kindly report immediately to the NIMD helpdesk if you encountered total disconnection.

For your information and guidance.
