

DEPARTMENT OF ENVIRONMENT AND NATURAL RESOURCES
KAGAWARAN NG KAPALIGIRAN AT LIKAS YAMAN

MEMORANDUM

FOR : **All DENR Officials and Employees**

FROM : **The Director**
Gender and Development Office, and Climate Change Service

SUBJECT : **Sayaw at Awit ng mga Bulilit ng DENR Day Care Center Ngayong Pasko 2023**

DATE : **December 11, 2023**

It is the season of joy and love! The DENR Day Care Center under Gender and Development (GAD) Office, will be sharing their love and joy through their **Sayaw at Awit ng mga Bulilit ng DENR Day Care Center Ngayong Pasko 2023** on 13 December 2023 in the different offices at DENR Central Office.

It aims to promote children's engagement by participating in group activities and having fun while doing them. As part of our program, we aim to develop the students' self-confidence and overcome the fear of performing in front of an audience as they dance in front of a few people. This will provide children with a unique experience to interact with our employees as they go around the different offices showcasing their costumes and singing Christmas Carols. This will truly help develop the children's intra-personal and inter-personal skills.

The children, together with their parents and/or guardians, and the teachers will visit your respective offices to sing and dance some Christmas Carols. We will appreciate any gifts you can share with them. Thank you!

ELENIDA DR BASUG
