**MEMORANDUM**

**FOR** : **THE REGIONAL EXECUTIVE DIRECTORS**  
Regions VI, VII, XI, XIII

**FROM** : **THE EXECUTIVE DIRECTOR**  
River Basin Control Office

**SUBJECT** : **REVISED 2024 WFP FOR E2RB PROJECT**

**DATE** : **DEC 12 2023**

---

This concerns the 2<sup>nd</sup> Semester Project Management Committee Meeting for the E2RB Project, conducted on November 21-23, 2023, at Sierra Hotel in Dumaguete City, Negros Oriental. The following agreements were made during the meeting:

On Work Planning:

1. Harmonization of WFPs with RBCO;
2. Whole-year WFP, as there might still be some activities to be implemented beyond project's life; and
3. One-day meeting to evaluate 2023 AWP and refine 2024 activities.

On Updating of Integrated River Basin Management and Development Master Plan thru E2RB Project:

1. Popularization of Master Plans and crafting of a Communications Plan upon adoption by the RDC after review by the National Steering Committee at the DENR Central Office; and
2. Project proposals preparation to implement identified PPAs under the Master Plan's Investment Plan

Others:

1. Conduct of joint monitoring of Local Subsidy Projects

These agreements were also presented during the RBCO 2023 Year-End Assessment and Planning Workshop on December 7-9, 2023, attended by the River Basin Focal Persons.

MEMO NO. 2023 - 1066

In this regard, please incorporate these agreements in your proposed E2RB 2024 Work and Financial Plan to be submitted to the Foreign-Assisted and Special Projects Service for funding at the soonest time possible.

FOR YOUR PROMPT ACTION, please.
