MEMORANDUM FROM THE SECRETARY

TO : THE DIRECTORS
Biodiversity Management Bureau
Environmental Management Bureau
Mines and Geosciences Bureau

SUBJECT : ASSISTANCE AND PROVISION OF ALL REQUESTED DATA
FOR THE DEVELOPMENT OF THE DENR DECISION
SUPPORT SYSTEM (DENR DeSS)

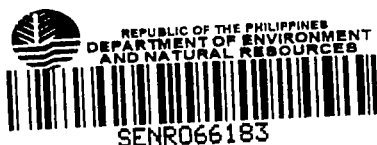

DATE : DEC 11 2023

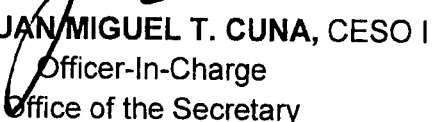

The Knowledge and Information Systems Service (KISS) is currently developing the DENR Decision Support System (DENR DeSS) to provide an online platform that serves as a decision-support system intended to facilitate timely, data-driven, and evidence-based decision-making on ENR transactions. Mines and Geosciences Bureau, Biodiversity Management Bureau, and Environmental Management Bureau are the identified priority bureaus of the DENR DeSS development for the transparent processing of permits, agreements, and certificates. The DENR DeSS aims to link a number of existing information systems and databases and generate a summary of complex data in the form of indicators, charts, graphs, and maps.

In line with the development of the project and for timely access to accurate and reliable data to produce informed decisions and policies, all offices concerned are hereby mandated to provide all necessary data on permit applications required by the DENR DeSS team on or before **December 6, 2023 (Wednesday)**. These shall include all data related to permit applications, including but not limited to geographic coordinates and area, date of permit approval, application, and expiration, process units, action officers, dates acted upon, and date released, among others. Your offices are also instructed to grant access to related databases that will facilitate interoperability of the DENR DeSS to your existing information systems and collaborate with the DENR DeSS team to develop the necessary Application Programming Interface (API) for system integration.

In order to facilitate easier collaboration with the DENR DeSS team, your office shall also designate a point of contact who can communicate with the DENR DeSS team through sdrmd@denr.gov.ph and isd@denr.gov.ph for a faster and easier data-sharing process.

For your information and strict compliance.

ATTY. JUAN MIGUEL T. CUNA, CESO I
Officer-In-Charge
