SUBJECT : **DENR 2024 NATIONAL GREENING PROGRAM (NGP)**

DATE : December 5, 2023

As we plan for DENR's 2024 National Greening Program (NGP), we wish to request from the regional offices their recommended list of 2024 NGP sites. Through your office, we would like to request for .shp files which we will validate as what we have done in 2023.

The Geospatial Database Office (GDO) with the GIS Office of FMB actually prepared our recommended NGP sites for consideration by the regional offices, however, we will transmit these for ground validation of the regional offices for consideration in 2025. Thank you.

CARLOS PRIMO C. DAVID, Ph.D.
