

MEMORANDUM

FOR : All Directors of Bureaus
All Regional Executive Directors

ATTENTION : **GAD Focal Persons**

FROM : **The Director**
DENR Climate Change Service
DENR Gender and Development Office

SUBJECT : **RESULTS OF PCW VALIDATION OF ENGP AND CMEMP
PROJECT IDENTIFICATION AND DESIGN HGDG**

DATE : 10 February 2023

This refers to the result of the Harmonized Gender and Development Guidelines (HGDG) Assessment specifically Box 19, Project Identification and Design (PID) of the following attributed programs by the Philippine Commission on Women (PCW) to wit:

- Enhanced National Greening Program (ENGP) = 9.93 equivalent to 49.65% attribution
- Coastal and Marine Ecosystems Management Program (CMEMP) = 9.26 equivalent to 46.30% attribution

Together, these HGDGs put the DENR GAD budget at 12.65% of the total budget of the agency, way above the minimum 5% requirement.

Offices can now finalize their GPB 2023, with the attribution amount relative to their respective offices budget for ENGP and CMEMP. This GPB 2023 is what they should submit to their counterpart COA.
