ADVISORY

FOR/TO : All Officials and Employees
DENR Central Office

The DENR has been selected as one of the government agencies to participate in the research of the Department of Health - National Research Council of the Philippines on **Access to Primary Care Facilities and Services of Government Employees and their Immediate Family**. The research aims to determine policy recommendations on access to primary care facilities and services of government employees and their family members.

DENR officials, employees, persons hired under Job Order and Contract of service are encouraged to participate and answer the survey until March 24, 2023, via the following link or QR code/link:
