DENRCM INFORMATION BULLETIN
2023-0003

SUBJECT: CHANGE OF VIRTUAL PRIVATE NETWORK (VPN)

This is to inform offices and personnel using the ArcGIS Software that for us to have more secure access on the DENR System, we are changing the Virtual Private Network (VPN) connection software to borrow licenses. You can download the Check Point VPN Client Installer in this url: <https://tinyurl.com/controlmapnewVPN> together with the Installation Guide for your guidance. We will be sending the user account to each respective Control Map Focal via email.

Should you have any concern or need assistance in setting up and installation of the new VPN, kindly send your request and queries at geospatial@denr.gov.ph or contact us thru (02) 8920 4498, VOIPs 1202/1194.
