Finance, Information Systems and Climate Change

Amazon Web Services (AWS) Quantum Leap Training Program

Contact: ph.inquiries@trainocate.com

AWS Public Sector Clients may be eligible for technical AWS training delivered by TRAINOCATE PHILIPPINES through the AWS Quantum Leap Training Program.

This training is intended to help the onboarding of your technical resources and prepare your team to go live on AWS. A voucher for certification will be provided upon training completion. Partners who participate in these trainings are expected to sign up for, and complete, the related AWS Certification exam.
