Dear *Secretary Loyzaga*,

Greetings of gender equality and women's empowerment!

The Philippine Commission on Women (PCW) continues to use traditional media as a means to reach more audiences especially in the rural areas.

One of our initiatives is the production of "Tinig Ng Kababaihan" (TNK), a weekly radio program that airs live every Thursday, 4:00 pm to 5:00 PM, over Radyo Pilipinas Dos 912 kHz. This is a collaboration with the Philippine Broadcasting Service-Bureau of Broadcast Service (PBS-BBS), and the program has been running since the year 2009. The program is currently hosted by the undersigned and Ms. Hazel Morada from the PBS-BBS. For more information about the program and to see its previous episodes, you may visit the webpage: www.pcw.gov.ph/tinig-ng-kababaihan

In line with the Philippine Environment Month (Proclamation No. 237), we would like to invite you or your representative to be our resource person on June 08, 2023 to discuss the issues and concerns on women and the environment and the Gender and Development programs of your agency. The interview will be conducted live in the studio located at the 4th Floor of Media Center Building (PIA Building) in Visayas Avenue, Quezon City or via Zoom platform.

Attached for your kind consideration are the guide questions for the interview.

Mr. Ann Jun A. Magnaye or Ms. Jescel Aquino of the Corporate Affairs and Information Resource Management Division shall coordinate with your office regarding this concern. They may be reached through tnk@pcw.gov.ph, 8736-1654 local 131, or 0917-840-7915, or 0917-845-4814.
